

INTERVIEW WITH PART OF A PLANT

You are about to be interviewed as if you were a part of a plant – root, stem, leaf or flower. Choose the part of a plant you wish to be and then answer the questions in the spaces.

1. Which plant part have you chosen? _____
2. Of what plant are you a part? _____
3. Where are you found on this plant? _____

4. Are the parts like you all alike in different plants? _____
If not, how are they different? _____

5. How do you get all your energy? _____

6. How do you grow? _____

7. If you don't mind me asking, what's your job? _____

8. If something happened to you, could the plant survive without you? _____
9. I know I'm getting personal now but please tell me if you're tough or a bit soft, and a colourful part or a bit dull? _____

Thank you for your time
